AMENDMENT AND RESPONSE TO OFFICE ACTION

Sir:

This paper responds to the Office Action mailed June 16, 2003 in the above-identified patent application and follows a September 12, 2003 interview with Examiner Cheryl Juska. The undersigned attorney, Applicants and Applicants' Assignee sincerely thank Examiner Juska for her prompt attention to this application and courtesies during that interview, which are particularly appreciated in light of the long pendency of this application and brief interval since reassignment of the application to Examiner Juska.

Amendments to the Specification begin on page 2 of this paper.

Amendments to the Claims are reflected in the listing of claims which begins on page 4 of this
